Subscriptions:

AMERICAN HOSPITAL ASSOCIATION (AHA) (CURRENT PROCEDURAL TERMINOLOGY (CPT®) CODES): This product includes Uniform Billing (UB) codes which are provided through licensure from Health Forum, LLC, a wholly owned subsidiary of the American Hospital Association, and require additional terms and conditions. Customer shall abide by the terms and conditions specified in the Health Forum Terms and Conditions which can be found at <https://trubridge.com/legal-customer/>. This license is granted for non-federal government use of the product.

AMERICAN MEDICAL ASSOCIATION (UNIFORM BILLING (UB) CODES): This product includes Current Procedural Terminology (CPT®) codes as applicable, which are provided through licensure from the American Medical Association ("AMA Content"). The American Medical Association ("AMA"), as third party licensor of AMA Content requires additional terms applicable to the AMA Content.

1. The AMA Content is copyrighted by the AMA and CPT is a registered trademark of AMA.
2. Customer is granted a limited, non-exclusive, non-transferable, non-sublicensable license for Customer to use the AMA Content in product(s) licensed by TruBridge with the AMA ("Licensed Product(s)"), for the sole purpose of internal use by Customer within the Territory. The sublicense granted to Customer shall automatically terminate upon termination of the Agreement between TruBridge and AMA, unless prior written consent of AMA is obtained by TruBridge or a direct license between Customer and AMA is entered.
3. The provision of updated AMA Content in the Licensed Product(s) is dependent on a continuing contractual relationship between TruBridge and the AMA.
4. Customer is prohibited from making AMA Content publicly available, creating derivative works (including translating), transferring, selling, leasing, licensing, or otherwise making available to any unauthorized party the Licensed Product(s), or a copy or portion of AMA Content to any unauthorized party, including a subsidiary, affiliate, or other legal entity, however designated, for any purpose whatsoever except as expressly permitted in these terms and the terms of the agreement executed between TruBridge and Customer (the "User Agreement"). Customer is not permitted to further distribute AMA Content without a separate agreement between AMA and Customer.
5. **Customer expressly acknowledges and agrees to the extent permitted by applicable law, use of the AMA Content is at Customer's sole risk and the AMA Content is provided "as is" without warranty of any kind. The AMA does not directly or indirectly practice medicine or dispense medical services. Fee schedules, relative value units, conversion factors and/or related components are not assigned by the AMA, are not part of CPT, and the AMA is not recommending their use. The AMA Content does not replace the AMA's Current Procedural**

Terminology book or other appropriate coding authority. The coding information contained in the AMA Content should be used only as a guide.

6. The AMA may require Customer to keep records and submit reports including information necessary for the calculation of royalties payable to the AMA by the TruBridge. All such requested records and reports shall be subject to audit by AMA.
7. **U.S. Government Customers.** CPT is commercial technical data, which was developed exclusively at private expense by the American Medical Association (AMA), 330 North Wabash Avenue, Chicago, Illinois 60611. It is expressly understood that the sublicense to AMA Content granted to Customer **does not** grant the Federal Government a direct license to use CPT based on FAR 52.227-14 (Data Rights - General) and DFARS 252.227-7015 (Technical Data - Commercial Items).
8. Customer must ensure that anyone with authorized access to the Licensed Product(s) will comply with these terms and the terms of the User Agreement.
9. The AMA is a third-party beneficiary of the User Agreement.
10. Customer expressly consents to the release of its name to the AMA.
